

Firestore Project Information

Project Name: GenX Firestore

Project ID: genx-firebase

Project Number: 1017706507875

Web API Key: AlzaSyCP2mU2UbWQh1QTvoWCtCHyug6xwCeV3AM

Service Account Details:

Name: firebase-adminsdk

Description: Firestore Admin SDK Service Agent

Email: firebase-adminsdk-fbsvc@genx-firebase.iam.gserviceaccount.com

Unique ID: 100615928317007044005

Status: Enabled

Security Notes:

- Keep the Web API Key secure and do not expose it in public repositories.
- Manage service account permissions carefully, granting the minimum roles required.
- Rotate keys regularly for security.
- Use Firestore console to monitor project usage and set up alerts for anomalies.
